

Starlight Lullaby

C D

Starlight

C D

starbright

D C

who do you want in your

C

dreams tonight

G C

Orion is stood

C G

sword held high

C D C

he will protect you

D C D G

'til morning is nigh

Starlight

starbright

who do you want

in your dreams tonight

Vela will take you

sails held high

Carry you through dreams

'Til morning is nigh

Starlight

starbright

who do you want

in your dreams tonight

work with The Plough

for corn so high

share what you grow

when morning is nigh

Starlight

starbright

who do you want

in your dreams tonight

Pegasus will take you

flying so high

across the world

'til morning is nigh

Starlight

starbright

who do you want

in your dreams tonight

Canis will be waiting

dream dog of the sky

your faithful companion

'til morning is nigh

Starlight

starbright

who do you want

in your dreams tonight

hold my hand like Pisces

don't fear or cry

our souls bound together

until morning is nigh

Starlight

starbright

who do you want

in your dreams tonight

hold my hand like Pisces

don't fear or cry

our souls bound together

until morning is nigh
