'Shadow Fall'

Chorus

A second saw

the loss of light

her travel by

a path of night

his belief

the 'Birth of Dawn'

a brightness of

'Eternal Morn'

Chorus

He shouted to

The Unsaid name

from whence both the

Brightlings came

their balance perfect

opposed in power

to both create

or both devour

Chorus

The Unsaid one

said "I will begin,

this is a fight neither

Brightling can win,

join your faiths as

night and day

create seasons,

this is The Way"

Chorus

"The mortal mind

of human kind

through fear of death

will capture time

memories held wrapped

up in feeling

a life of pictures

creating meaning"

Chorus

"Each human will have

their 'End of All'

each will feel

a 'Shadow Fall'

Each will see their
Birth of Dawn
and each will wish
an Eternal Morn”

Chorus
