Verse

Roll up everybody
stakes are getting higher
Racing from St Marks
to Sacred Mary's spire
riding point-to point
Blue Boy will surely win
Stay by his side throughout the ride
Your faith is not a sin

Good day gents and ladies
to this bank river race
One on one excitement
Danger at a pace
Lift him with your prayers
You won't believe your eyes
Count money and your blessing
As Blue Boy takes the prize

We're in our days of judgement
From those we are among
There are those who doubt us
We all need to be strong
Go to den's of gamblers
Offer Blue Boy's word
Embrace your time as shepherds
For the lost you herd

Do I have a witness
Your final chance to shine
Bet in exaltation
His glory on the line
Its time for Blue Boy's quest
To spend his days sire
Praise be all you pilgrims
In peace he must retire
