Uncertain emotions
what's ahead unclear
doing right or wrong
give you equal fear
turn it all to chance
Lady Fate will lend a hand
take a coin and flip
follow where it lands

Staying is a worry
leaving is no
signs are all confusing
don't know which way to go
spotlight full upon you
a hush upon the crowd
flip and follow lady fate
say the decision loud

Chorus

Wishful thinking
maybe I was wrong
coulda woulda shoulda no
good for anyone
Lady Fate don't knock
when you make a call
she's in the room deciding
how the coin will fall

Chorus
