

Heartless

G
Why oh why
C G D G
were you so heartless
G
why oh why
C G D G
were you so mean
G
you are now
C G D G
the loneliest person
G
that I
D C D G
have ever seen

Chorus
Why oh why
were you so heartless
why oh why
were you so mean
you are now
the loneliest person
that I
have ever seen

You asked to meet me
then you looked right through me
no words were spoken
not even hello
I cannot answer
if you do not ask me
but so you know
the answer is no

Chorus

What did I do
to upset you so badly
what did I say
to make you silent with me
you're bound and gagged
trapped in emotions
locked in love while
I'm walking free

Chorus

So I am here
singing my heart out
making it clear
at the top of my voice
I cannot help you
regretting your memories
I've moved on
and you have no choice

Chorus
